FIRST IN SERVICE TO READERS

ANTIOCH, ILLINOIS, THURSDAY, JANUARY 22, 1942

FIRST IN RESULTS TO ADVERTISERS

NUMBER 24

## Contributions to Red Cross Total \$1,105

**Additional Funds Are Still  
Coming in, Chairman  
Bartlett Reports**

Antioch has responded wholeheartedly to the Red Cross call for war relief needs. More than \$1100.00 has already been turned in, and George B. Bartlett, campaign chairman for Antioch Township, reports that additional contributions are still being received.

Assisting Mr. Bartlett on his committees were Clete Vos and W. I. Scott, who canvassed the business district; Elmer Rentner and Arthur Rosenfeldt, who had charge of contributions from garages and service stations; James Stearns, taverns; and the school boards of the various school districts.

The school boards that have already reported include that of District No. 35, Mrs. Charles Herman, president, No. 30, Bean Hill, reporting through William Bennett; and No. 31, Emmons, through Peter Toft.

Still to be heard from were Districts No. 27, Hickory; No. 30, Oakland; No. 36, Channel Lake, and part of District No. 34, outside the corporate limits of Antioch. A number of residences were also still to be canvassed. "We hope to have all reports completed by next week," Bartlett states. Donors to date include the following:

C. K. Anderson  
Leila Anderson  
Frank Runyard  
C. A. Atwood  
Future Farmers of America  
American Legion Auxiliary  
Mr. and Mrs. Thomas Perkins  
Mr. and Mrs. Wm. Hynek  
Antioch Lumber & Coal Co.  
Carey Elec. & Pkg. Shop  
Mr. and Mrs. John Lucas  
Mr. and Mrs. Charles Paddock  
Mr. and Mrs. I. L. Paddock  
Mr. and Mrs. C. Malget  
Grass Lake School Pupils  
Mrs. Elizabeth Anzinger  
Mr. and Mrs. H. R. Stott  
J. R. and Mrs. Culbertson  
Isabel Larimer Reynolds  
State Bank of Antioch  
Keulman Bros. Grocery  
Post Office Force & Rural Carriers  
Sheahan Implement Co.  
Antioch Cafe, Gus Mantis  
George and Helen Barovuka  
Clair and Ruth Elliott  
Henry Quadenfeld, Jr.  
(continued on page 5)

## District P. M. A. Will Elect Officers Jan 29

Election of officers will take place at the annual district meeting of the Pure Milk association Thursday, Jan. 29, at 10:30 a. m. in the Grayslake Grade school.

The present officers are L. W. Pohlman, Palatine, president; Fred Popp, Lake Zurich, vice-president; C. W. Wray, Grayslake, secretary; and Arthur Harting, Buffalo Grove, treasurer.

Reports on current market conditions will be given by Arthur Lauterbach, general manager.

The entertainment committee is planning a program including musical acts from Antioch, Warren and Wauconda High schools.

The Eloise Moore dancers will present a series of acts entitled, "Seen at the Loop."

The meeting will be open to members of the association and their families.

## First Aid Classes of 68 Women, 18 Juniors Hold Second Meetings

Members of the three women's classes in standard Red Cross first aid methods and a class in junior Red Cross first aid work are holding their second meeting this week.

Two classes of about 20 women each met Tuesday evening. The class of 28 women enrolled last Friday evening and the class of 18 juniors formed at the same time will meet again this Friday.

Herman Rosing and Harry Greenlee are in charge of the classes. Capt. Herman Holbek is conducting classes in nearby villages.

## City Briefs

A group of friends very pleasantly surprised Mrs. S. Boyer Nelson at her home Saturday evening, the occasion being her birthday. Bridge was played and prizes were awarded Mrs. William Rosing, Mrs. A. P. Bratrude, and Miss Charlene Jorgensen. A delicious lunch was served.

## Add New Names of Men In U.S. Military Service

Seven new names of men in the service of the United States armed forces are added today to the list of "men in service. They are Jack Spay, Roy Larsen, Lloyd Leable, H. Meinersmann, William Walker, Edmund M. Groebli, and George Magiera. Addresses will be found on page 5.

A change of address also will be noted for Private 1st class Armand Dalgaard, who is now at Camp Ulu-pau, in the Hawaiian Islands, and for Eugene E. Doyle, who is now in the Panama Canal Zone.

The Department of War in Washington announced recently that mail addressed to men in service at their last known address would be forwarded by the War department. Troop movements are regarded as military secrets, and relatives of soldiers, sailors or marines seldom know of transfers of men until the change of location has been actually accomplished.

## Anderson to Quit Committee Post

**Served for 10 Years; En-  
dorses Jack Flanagan  
as Successor**

After having served for 10 years as committeeman from Antioch Precinct 1 and eight years as chairman of the finance committee of the Lake County Republican Central committee, C. K. Anderson this week issued a statement to voters announcing that he will not seek re-election at the forthcoming primary election on April 14.

According to information set forth in Anderson's statement, his career as a central committeeman has not been an altogether rosy one. He charges that voting irregularities permitted in the precinct at the time he was first elected resulted in a Democratic majority in a precinct that had always been Republican. He says he took steps promptly to eliminate irregular practices at the polls and restored the precinct to the Republican ranks. Anderson states also that he was not satisfied with the manner in which the finances of the Central committee were handled (which as finance chairman he was able to note), and that in one presidential campaign he loaned funds to the committee in order that all bills could be paid. "The reason we ran short," says Mr. Anderson, "was because some funds which were intended for the committee didn't reach our hands, and then after the campaign was over we found bills that had not been reported, and which came in after the election."

**Hints of "Deal"**

Anderson deplors the attitude of several Lake county officers, who he says "think that a committeeman should do all the work and raise all funds for the expenses of an election."

The hardest part of the precinct committeeman's work is to get jobs for all those who believe they should have them, when candidates, after they are elected give the jobs to members of their families and friends. Since the state went Republican it seems to me that there must have been some kind of a deal made, otherwise Democrats would not continue to hold many jobs which should have gone to Republicans.

"I want to thank all those who have helped me do the job and who have stood by and cast their votes for the Republican party. I will continue in the future as I have in the past to help work for the Republican interests. . . . During these years I have worked with fine men such as William Marks, our chairman, Elmer Clavey, treasurer, and many others."

**Endorses Flanagan**

"Since I have decided to withdraw, I have conferred with various persons as to who should be a candidate at the primaries on April 14, and the consensus of opinion is that Jack Flanagan should be the candidate. I recommend that everyone in the precinct join me in this recommendation. He has always been a good Republican and a hard and interested worker. I trust my friends will support him as I am going to do."

## Kilpatrick Returns to Duties at Post Office

George O. Hawkins, who has been substitute mail clerk at the Antioch post office for the past few months, is being called into service with the U. S. army Tuesday.

Chester Kilpatrick, former substitute mail clerk who was employed at Scott's dairy during the summer months, is taking over Hawkins' duties, starting today.

Hawkins is taking a short vacation before going to North Chicago Tuesday for final instructions. Hawkins is the son of Mr. and Mrs. Arthur Hawkins.

Mrs. Bell Fox left Wednesday for St. Petersburg, Florida, where she will spend two months.

## Movie Will Aid Legion Fund for Boys in Service

**"Parachute Battalion" to Be  
Sponsored at Lakes The-  
ater Jan. 28-29**

William Lemke and William Nelson, managers of the Lakes theater, have turned the theater over to the Antioch American Legion post for the nights of Wednesday and Thursday, Jan. 28 and 29 at their contribution in support of the Legion fund for "our boys in the service."

"Parachute Battalion" is the picture the Legion will sponsor on these two evenings.

The principal scene of the picture is Fort Benning, Ga., and the high-lights of the picture are the parachute take-offs from planes in flight, solo and in groups. Capt. William Ryder of the 501st Parachute division, acted as technical adviser.

Players include Harry Carey, Buddy Ebsen, Richard Cromwell, Edmond O'Brien, Nancy Kelly and Robert Preston. Actual parachute jumps were made by soldiers at Fort Benning.

Leslie Goodwins directed. Plans for the showing of the picture and for other Legion defense and service projects were discussed at a meeting last Thursday evening. A contribution to the Red Cross was also made at that time.

Two showings of "Parachute Battalion" will be made each evening, at 7 and 9 p. m. Adult tickets will be sold at 50 cents each and children's tickets at 15 cents.

## Miller's Orchestra to Play at Community Club Dance Tuesday

Joe Miller's orchestra from Richmond has been engaged to play for the dance and card party to be given at Channel Lake school Tuesday, January 27 at 8:00 o'clock. The party is sponsored by the Channel Lake Community club, and there will be bunco, 500, bridge, and pinocle with prizes for high scores, and refreshments to follow.

Serving on the committees for the party are Chas. Ulrich and Mrs. Cunningham, tickets; Mrs. N. Zeien, Mrs. James Runyard, Mrs. Eugene McDougall and Mrs. L. Beck, refreshments; Nick Zeien, prizes, and Mrs. Martin Buscher, publicity. Admission is 35 cents.

## Farm Supply Shareholders Will Meet Saturday at Lake Zurich High School

The 14th Annual Meeting of the Lake-Cook Farm Supply Company will be held on Saturday, January 24, at the Lake Zurich High school at Lake Zurich, Illinois. The meeting will be called to order promptly at 10:00 by the president, Eb. Harris.

This meeting will be of vital interest to all farmers in Lake and Cook counties in that important discussions relating to priority rights on merchandise, which the farmers will need, and the possibility of being able to secure the same will be discussed.

The entertainment committee has been extremely fortunate in obtaining C. H. Becker, manager of the Illinois Farm Supply Company as the main speaker. The music entertainment will be well taken care of by the Lake Township High school band.

The famous Lake-Cook lunch, which has been the standard of free lunches in the past many years will be served by the employees of the company. Everyone is urged to attend and participate in this event. Everything is free.

## Surplus Food Administrator Addresses Men's Civic Club

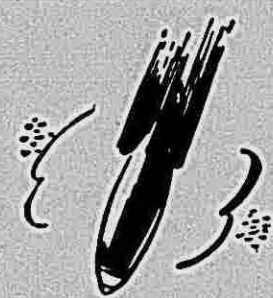

Changing economic conditions have also affected the set up of the hot lunch projects in Lake county schools, Fred W. Good, Lake county administrator of surplus food commodities, told members of the Antioch Men's Civic club at a meeting Monday evening in the Antioch restaurant.

W. P. A. labor formerly available for these projects is being absorbed into defense and general manufacturing and construction work, he pointed out, and the work is now devolving on the mothers of the children.

In spite of this, however, the school lunch projects are increasing in Lake county, Good informed the club. He also touched on other aspects of the distribution of surplus foods.

The club's next meeting, on Monday, January 27, at the St. Ignace Guild hall, will be a joint dinner meeting with the Antioch Business and Professional Women's club. Members of both organizations will be privileged to bring their wives or husbands.

## Let Your Answer to Bombs Be—BONDS!

We are fighting enemies who will stop at nothing. With our homes, our very lives at stake, shall we stop short of giving our dimes and dollars for Defense? Buy Defense Bonds and Stamps every day, every week. Buy as if your very life depended upon it. It does!

## Waukegan Law Firm Opens Office Here

Runyard & Behanna, well known lawyers of Waukegan, today announced that arrangements have been completed for opening an office in Antioch. They will occupy rooms on the second floor of the post office building. Office hours will be announced within the next few days when office equipment has been installed.

E. M. Runyard, the senior member of the partnership, has practiced law in Lake county for over 35 years. Wm. R. Behanna has been associated with him since 1923. Runyard has served for several terms as village attorney for Antioch, a post now held by George McGaughey.

## Local and County Wardens Pleased With Black-Out

Commenting on the success of the first "blackout" held in the state of Illinois, Chief Air Warden Roman B. Vos issued the following statement:

In behalf of the organizations and individuals who did a splendid job in carrying out the plans of completing a test blackout last Friday evening, we extend to the citizens of Antioch township our vote of thanks for their whole-hearted cooperation and the excellent results.

The blackout test resulted in a one hundred per cent coverage and only goes to show what organization means in a time when a nation is at war.

The comments brought in by those helping in the capacity of wardens, police, firemen and appointed civilians were gratifying to the heads of the Air Raid Warden Service. Everyone assisted in the spirit of making it feel like the real show that is being experienced along coastly shores from day to day. The registered organizations and individuals helping:

Antioch Legion Post 748, Antioch Fire Department, Antioch Rescue Squad, Antioch Police, constables and deputy sheriffs, Antioch doctors and churches where first aid stations are located. Junior Wardens appointed from the Legion serving in the various sectors in the township selected on the average five civilians to assist in the work of checking the sectors. The number of persons in active service for the blackout amounted to 125.

ROMAN B. VOS,  
Chief Air Warden  
for Antioch Twp.

The following letter was received from the Lake County Co-ordinator, which should make the Antioch citizens proud of their achievement:

Roman Vos  
Antioch, Illinois  
My Dear Mr. Vos:

You are indeed to be congratulated on the efficiency and dispatch, with which you have carried out your duties as senior warden.

I wish to take this opportunity to express my deepest appreciation for your whole-hearted co-operation and the excellent results obtained in our first trial blackout.

With my best wishes for your continued success and my kindest personal regards, I remain

Sincerely yours,  
Paul J. King,  
Co-ordinator

## Upper Section of Water Tower Ladder Is Removed

The ladder from the platform or "catwalk" to the top of the dome of the Antioch water tower was removed Tuesday as a war precautionary measure.

Edgar Simonsen removed the ladder, assisted by Marshal William Thiemann and Street Superintendent Fred Petersen.

It is about 100 feet from the ground to the "catwalk," and about 18 feet from there to the top of the tower.

Similar precautionary measures to prevent pollution of water supplies are being taken by many communities.

Little Donna Jean Hufendick, who has been seriously ill, is now able to be up a few hours each day and is feeling much better.

## Antioch Defense Set-up Emulated In Other Areas

**Local Program Is Well Co-  
ordinated, County Black-  
out Proves**

Features of Antioch's defense program, which is already well-integrated and set to function smoothly, are being adopted by other communities, including Waukegan, according to reports received this week.

Among these is the establishment of first aid stations where emergency treatment could be given under the charge of doctors. The Antioch rescue squad, which antedates the local defense program but is an important factor in it, is another pioneer Antioch project being studied by other communities with a view to sponsoring similar squads.

Local participation in the Lake county trial blackout Friday night was deemed almost 100 percent effective, and was conducted without hitch or mishap.

**THIS Siren Was Heard!**

Whereas some communities reported difficulties in hearing their warning signals, the banshee fire whistle that proves so effective in bringing Antioch's volunteer firemen up standing from their warm beds on cold winter nights was equally effective in warning housewives to "douse the glim" Friday night at 7 o'clock.

Since the sound of the siren carries some distance from Antioch (around 4 or 5 miles, it is estimated), under favorable conditions, especially because of the nearness of numerous lakes, which act as a sort of "sounding board," residents and motorists outside the village were also warned by it.

The blackout was rigidly observed in downtown Antioch, and pretty generally throughout the village, although a few flashlights and cigarettes were observed during the course of the half hour.

Even the through Soo Line train dimmed all lights but the headlight, except while it was actually in the Antioch station. Trains along lake shore routes also dimmed their lights.

**Motorists Co-operate**

Motorists co-operated well, parking their cars at curbs or roadsides for the duration of the blackout.

No mishaps or accidents resulted here from the blackout, although the Antioch rescue squad, which is always on call 24 hours a day, "stood by" with automobiles in readiness to take any physician in the village to his destination in the event of an emergency summons.

The Antioch fire department took out a truck, with blue headlights, to make an inspection tour of the village, and returned to the station pronouncing the inspection satisfactory.

Air warden patrols furnished by the Antioch post of the American Legion, under the charge of Commander Roman Vos as head air warden, conducted patrols. County sheriffs and state-highway police halted motorists at the Wisconsin state line to the north, and at the McHenry county line at the west until the blackout was over.

However, many motorists, forewarned by the press of the blackout, the first to be held in Illinois, avoided entering the area during the half hour.

The lights of an airplane bearing official observers could be seen high in the sky to the eastward, from Antioch.

Antioch physicians, Drs. D. N. Deering, A. P. Bratrude, A. N. Berke and R. D. Williams, remained at their residences during the half-hour, since the first aid stations to which they would go in the event of an emergency had not yet been fitted with curtains for use during a blackout.

St. Peter's Catholic church has been designated as Emergency First Aid Station No. 1, and the Antioch Methodist church as Station No. 2, with the high school as a reserve emergency station. These buildings were selected for stations by a committee of medical men, and were chosen on the basis of location and construction, all of them being of brick or stone.

In the event of an emergency, Drs. Deering and Bratrude, residing nearest Station No. 1, would proceed there, and Drs. Berke and Williams, living nearest Station No. 2, would be in charge at that station. Men trained in Red Cross first aid methods would be assigned by the rescue squad to assist the doctors at each station.

**Plan Women's Corps**

Later, when women who are taking the courses in Red Cross first aid work have graduated, an emergency squad of women will be organized. Members of this squad will assist at the first aid stations, and will also have charge of home service work.

In general charge of defense work in Antioch township is George B. Bartlett, village president. Assisting him are Clarence Shultis, secretary, and a large committee of residents of the village and township.

## DEFENSE WORK CUTS STATES RELIEF ROLLS HALF OF 1939 PERIOD

America's rearmament program has greatly reduced relief and assistance rolls of Illinois, according to a survey story covering a 31-month period which appears in the January issue of the Illinois Agricultural Association Record.

Number of Illinois persons receiving public assistance in September, 1941, was less than half as great as in Feb., 1939, when relief and assistance rolls were at the highest point reached during recent years. In February, 1939, more than one-sixth of the people in Illinois were receiving some form of public assistance.

The greatest change has occurred in WPA rolls, which have been cut by nearly three-fourths; general relief has dropped more than half; the number of persons receiving mothers' or blind pensions has remained fairly constant; and old age assistance recipients have increased about one-sixth in number.

The reduction in assistance rolls has been greatest mainly in the northern part of the state and least in the southern counties. There are, however, exceptions to this general statement.

Williamson county topped the relief rolls in 1939 with 51.9 per cent of the population receiving aid from the government in some form or another. Saline county had 42.2% on relief; Schuyler 28.9; Scott 28.5; Perry 28.3; Montgomery 25.3; White 25.3; Wayne 24.0; Franklin 40.0; Gallatin 41.5; Hardin 33.8; Alexander 44.2; Jackson 30.2; Johnson 28.8; Jefferson 26.9; Hamilton 25.7; Cass 28.4; Douglas 23.6; Macoupin 25.8; Madison 23.9; Putnam 24.8; St. Clair 23.6.

The above figures reveal the cause of the heavy majorities for New Deal candidates in the 1940 election. The relief and assistance rolls have decreased since the election.

Republicans might take a lesson in politics from the above—and entitle it "How to Win an Election."

## Defense Stamps And Bonds Meet Ready Sale Here

Defense stamp sales at the Antioch post office are averaging from \$50 to \$75 a day. Postmaster Roy Kufalk states. Total sales since Jan. 11 amount to more than \$525. Defense stamps are also being sold in Antioch High school and Antioch Grade school, in co-operation with the post office.

Since Jan. 1, seventy-nine defense bonds, ranging in value from \$25 to \$1,000 (maturity value), have been sold at the post office. Antioch banks have also been making sales of bonds, especially in the larger denominations. The First National bank reported sales of bonds in the higher denominations amounting to more than \$30,800. Good sales were also reported at the State bank.

More than 350 federal tax stamps for automobiles have already been sold at the Antioch post office, Kufalk states. These stamps, costing \$2.09, should be purchased some time this month or next, if a person wishes to procure them at the local postoffice, as after that time they will have to be secured by writing to the collector of internal revenue—except in the case of those purchased by persons who have just bought automobiles during the month then current.

Defense stamps sales at Antioch Grade school during the past week, Jan. 14-21 totaled \$40.90. The stamps have not been on sale at the high school for quite a week as yet, but sales totaling \$25 or more have already been made there.

## Dr. Jensen Attending State Veterinarian Meet

Dr. G. W. Jensen, Antioch veterinarian, left yesterday for Springfield where he is attending the annual meeting of the Illinois State Veterinarians' Association. Dr. Jensen was the Association's president in 1937.

### ADVERTISEMENT FOR BIDS

Scaled proposals will be received by the Board of Education of School District No. 117, Lake County, Illinois, until 8:00 P. M. Standard Time, Feb. 5, 1942, at the Antioch Township High School site at which time and place said bids will be publicly opened and read aloud. Proposals shall include the furnishing of all materials, labor and equipment for the alteration to the present school building located in Antioch, Lake County, Illinois.

Plans and specifications may be obtained at the office of Godfrey E. Larson, Inc., Architects, 77 West Washington Street, Chicago, Illinois, or at the Superintendent's office in the existing High School Building.

The Board of Education of School District No. 117 hereby reserves the right to reject any or all bids and to waive informalities or to accept the bid that in its judgement will be for the best interest of School District No. 117.

A bid bond, cashier or certified check made payable to the order of Board of Education of School District No. 117 in the amount of TWO HUNDRED FIFTY DOLLARS (\$250.00) must be deposited by each bidder with his bid as a guarantee that in case the contract is awarded to him he will within ten (10) days thereafter on receipt of written notice of award execute such contract and furnish Public Liability Insurance and Performance Bond for the full amount of the contract. Acceptance of the bid will be contingent upon the fulfillment of this requirement by the bidder and upon failure to do so, he shall forfeit the deposit as liquidated damages. No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

WAGE RATES:

There shall be paid each employee engaged in work on the project under this contract in the trade or occupation listed below not less than the wage rate set opposite the same, namely:

Trade or Occupation	Hourly Wage Rates
Asbestos Workers	\$1.70

## Two Victories Give Antioch Title Chance

### Wins Are Scored Over Zion-Benton and Ela High

(By D. DuPre)

Amid the cheers and jeers of Antioch court followers, Coach C. A. Wolfbarger's powerhouse, led by Dale Barnstable and unheralded Jim Jones, kept rolling at its terrific pace toward the Northwest Conference title.

Though not a conference game, experience and ability were gained in Tuesday's tussle which may back the Sequoits for a win over Bensenville next Friday.

The local gymnasium was the stage upon which the Sequoia stalwarts displayed their talents, the like of which has not been seen in the Northwest cage circuit for years as Antioch marched to a 33 to 19 win over Zion-Benton's Red Raiders.

Dale Barnstable and Jim Jones, paired together, accounted for 20 of Antioch's 33 points, each had making 4 field goals and 2 free throws.

Haley, high point man for Zion, connected with 3 field goals and 1 free throw, 7 points in all.

Lineups for the tilt were as follows:

ANTIOCH	FG	FT	F
Buchta	2	0	2
J. Jones	4	2	3
Barnstable	4	2	3
Fields	1	1	1
Carpenter	1	4	2
Ellis	0	0	0
Kaufman	0	0	0
Dressel	0	0	0
Brett	0	0	0
Effinger	0	0	0
ZION-BENTON	FG	FT	F
J. Leech	1	0	2

K. Leech	0	2	4
Labell	0	0	0
Haley	3	1	1
Klemm	2	1	2
Osmond	0	0	1
Randle	1	1	1
Erickson	0	0	0

From a fan's standpoint the second team game was a rather dull affair, with low scoring and a maximum of fouls.

Antioch also triumphed in this game by a score of 17 to 11, evidence of a low scoring game, fundamentally based on a few intricate plays, thanks to Coach Wolfbarger.

Ed Jones contributed 5 points, thus being Antioch's high scorer, and Mitchell, Zion's high man, netted the same total.

The Bensenville bout, from which Antioch hopes to capture the championship title, promises to draw an enthusiastic crowd of Sequoit supporters at the Antioch gym Friday night.

Principal J. O. Austin announces that in compliance with the blackout regulations, the starting whistle will not blow until 8:15. The gates will be open for ticket sales after the "all clear" signal has been given. Patrons of the team as well as other motorists, are requested not to be on the roads during the blackout. The alarm will be sounded from 7:00 to 7:10 p. m., and the blackout will last until 7:30.

### Defeat Ela, 28-26

(By Rosalie Sibley)

The Antioch Sequoits defeated the Ela Polar Bears last Friday night on the Ela floor by the close score of 28-26. As a result of the defeat of Palatine by Bensenville last Friday, the Sequoits are now tied for first place in the Northwest Conference.

Dale Barnstable of Antioch and Kropp of Ela led the field in points made. Each picked off 12 points. Each team got off to a good start and at the end of the first quarter Antioch was leading Ela by only 2 points. Barnstable, Jack Fields and Art Carpenter marked up 8 points for Antioch while Kropp and Knigge captured six points for Ela.

The score at the half was 14-12 in favor of Antioch. Barnstable and Jim Jones each made a field goal for Antioch. Barnstable made two free throws.

For Ela, Kropp made two field goals and Rudy made one. The last half of the game went very

## Ninth Annual Play Tourney Will Be Held

### Feb. 11 and 12 Announced as Dates for Inter- Class Program

(By Rose Marie Zelhofer)

Students of Antioch Township High School will present the ninth annual Inter-Class Play tourney, under the direction of Mrs. Marguerite K. Phillips, Feb. 11 and 12. Tryouts have been in progress for the past two weeks.

"Actors" and "actresses" participating will earn points for Thespian awards and the gold cup awarded at the Curtain Call Club banquet.

Following are the plays to be presented:

"A Vane Effort," by Winston Tollis  
"The Farnsworth Nose," by E. Clayton McCarty  
"She Spied on Lincoln," by M. K. Phillips  
"Mrs. O'Leary's Cow," by Brice McCarthy  
"Comin' Round the Mountain," by Ned Albert  
"She Stoops to Conquer," by Oliver Goldsmith  
"Aloha," by Grace Michael  
"Oh, Say Can You Sing?" by Spranger Barry.

## Annual Concert

### Will Be Given at High School

(By Martha Wynch)

The Music department of Antioch Township High School, under the guidance of Hans Von Holwege, will give its annual concert on Friday, Jan. 23, at 8:00 P. M.

A variety program with selections by the chorus and the band, popular music played by the jazz band, and the singing of patriotic songs by the audience and chorus promise a pleasant evening's entertainment for each member of the audience.

Among the students who will perform are Eddie Ruschewski, Stuart Good, Virginia Paulsen, Idal Maier, Sarah McBride, and Bill White, all of whom have appeared before the student body in the Friday morning assemblies, which are a part of school life.

The feature of the dance, which will continue until midnight, will be an 11-piece jazz band, composed of students.

The object of the concert is to help raise funds to uniform the band members. This worthy project has the backing of the whole school and the students are working hard to make the concert a success.

much as the first. Antioch kept a two-point lead over Ela throughout. The game ended with Antioch winning, 28-26.

The Antioch lightweights scored a 19-12 victory over the Ela lightweights. Bob Ellis of Antioch was the leading scorer with five field goals to his credit.

The Sequoits will battle Bensenville at a conference game Friday with the hope of leading the conference after the three-way tie with Bensenville and Palatine is broken.

## Martin Ice Crew Gets in 60 Tons of 15-inch Ice

C. W. Martin of Cross Lake still carries on the "grand old lakes region custom" of filling his ice house with natural lake ice each winter, and over a period of 22 years he has generally held honors for harvesting the first ice crop of the season.

On Sunday a crew of 10 men filled the private ice house on his Cross Lake estate—60 tons of 15-inch ice.

Martin, who is 84, was host to the men at a big turkey dinner—and carved the turkeys himself. Mr. and Mrs. John Bergstrom and Mrs. Luliver Lasco prepared the dinner.

Mr. and Mrs. Harry Dougherty helped cheer the men at work by carrying hot coffee to them.

Members of the Martin ice crew included Hugh Shea, Luliver Lasco, Barney Barnstable, William Setek, Oscar Hanson, William Lasco, Bebe Lasco, Mike Britton, Knute Lassen and Frank Spanggard.

## Children Take Part in Red Cross Knitting

Red Cross activities in Antioch include knitting being done by grade school children. Anyone having new or old yarn they may wish to donate is asked either to leave it at the school or to notify the school so that arrangements may be made for having it picked up. Even small quantities of yarn will be welcome. Miss Ayleen Wilson, who is acting as adviser, states. The children are knitting the yarn into six-inch squares which are to be sewed together to form lap robes for wheel chair patients at hospitals.

### Snow in Siberia

In Siberia, the snow shovel makes its appearance about the middle of August in anticipation of the following winter's first fall of snow. The last of the winter snow melts away about the middle of June.

## Blackout Will Delay Bensenville Game

The doors will open for the Bensenville game at 7:45 instead of 7:30 because of the blackout Friday. Chains will be up across the high school driveway until the blackout is over at 7:30, and no one will be allowed to enter the school grounds until that time.

A meeting of the Grass Lake Parent Teacher association will be held Friday evening, Jan. 16, at the school.

## Contributions to Red Cross Total \$1,105

### Additional Funds Are Still Coming in, Chairman Bartlett Reports

Antioch has responded wholeheartedly to the Red Cross call for war relief needs. More than \$1100.00 has already been turned in, and George B. Bartlett, campaign chairman for Antioch Township, reports that additional contributions are still being received.

Assisting Mr. Bartlett on his committees were Cleve Vos and W. I. Scott, who canvassed the business district; Elmer Rentner and Arthur Rosenfeld, who had charge of contributions from garages and service stations; James Stearns, taverns; and the school boards of the various school districts.

The school boards that have already reported include that of District No. 35, Mrs. Charles Herman, president, No. 30, Bean Hill, reporting through William Bennett; and No. 31, Emmons, through Peter Toft.

Still to be heard from were Districts No. 27, Hickory; No. 30, Oakland; No. 36, Channel Lake, and part of District No. 34, outside the corporate limits of Antioch. A number of residences were also still to be canvassed.

"We hope to have all reports completed by next week," Bartlett states. Donors to date include the following:

C. K. Anderson  
Leila Anderson  
Frank Runyard  
C. A. Atwood  
Future Farmers of America  
American Legion Auxiliary  
Mr. and Mrs. Thomas Perkins  
Mr. and Mrs. Wm. Hynek

### District P. M. A. Will Elect Officers Jan 29

Election of officers will take place at the annual district meeting of the Pure Milk association Thursday, Jan. 29, at 10:30 a. m. in the Grayslake Grade school.

The present officers are L. W. Pohlman, Palatine, president; Fred Popp, Lake Zurich, vice-president; C. W. Wray, Grayslake, secretary, and Arthur Harting, Buffalo Grove, treasurer. Reports on current market conditions will be given by Arthur Lauterbach, general manager.

The entertainment committee is planning a program including musical acts from Antioch, Warren and Wauconda High schools.

The Eloise Moore dancers will present a series of acts entitled, "Seen at the Loop."

The meeting will be open to members of the association and their families.

### First Aid Classes of 68 Women, 18 Juniors Hold Second Meetings

Members of the three women's classes in standard Red Cross first aid methods and a class in junior Red Cross first aid work are holding their second meeting this week.

Two classes of about 20 women each met Tuesday evening. The class of 28 women enrolled last Friday evening and the class of 18 juniors formed at the same time will meet again this Friday.

Herman Rosing and Harry Greenlee are in charge of the classes. Capt. Herman Holbeck is conducting classes in nearby villages.

### City Briefs

A group of friends very pleasantly surprised Mrs. S. Boyer Nelson at her home Saturday evening, the occasion being her birthday. Bridge was played and prizes were awarded Mrs. William Rosing, Mrs. A. P. Bratrude, and Miss Charlene Jorgensen. A delicious lunch was served.

### Add New Names of Men In U.S. Military Service

Seven new names of men in the service of the United States armed forces are added today to the list of "men in service. They are Jack Spay, Roy Larsen, Lloyd Leable, H. Meinersmann, William Walker, Edmund M. Groehli, and George Magiera. Addresses will be found on page 5.

A change of address also will be noted for Private 1st class Armand Dalgaard, who is now at Camp Ulu-pai, in the Hawaiian Islands, and for Eugene E. Doyle, who is now in the Panama Canal Zone.

The Department of War in Washington announced recently that mail addressed to men in service at their last known address would be forwarded by the War department. Troop movements are regarded as military secrets, and relatives of soldiers, sailors or marines seldom know of transfers of men until the change of location has been actually accomplished.

### Anderson to Quit Committee Post

#### Served for 10 Years; En- dorses Jack Flanagan as Successor

After having served for 10 years as committeeman from Antioch Precinct 1 and eight years as chairman of the finance committee of the Lake County Republican Central committee, C. K. Anderson this week issued a statement to voters announcing that he will not seek re-election at the forthcoming primary election on April 14.

According to information set forth in Anderson's statement, his career as a central committeeman has not been an altogether rosy one. He charges that voting irregularities permitted in the precinct at the time he was first elected resulted in a Democratic majority in a precinct that had always been Republican. He says he took steps promptly to eliminate irregular practices at the polls and restored the precinct to the Republican ranks. Anderson states also that he was not satisfied with the manner in which the finances of the Central committee were handled (which as finance chairman he was able to note), and that in one presidential campaign he loaned funds to the committee in order that all bills could be paid. "The reason we ran short," says Mr. Anderson, "was because some funds which were intended for the committee didn't reach our hands, and then after the campaign was over we found bills that had not been reported, and which came in after the election."

Hints of "Deal"  
Anderson deplores the attitude of several Lake county officers, who he says "think that a committeeman should do all the work and raise all funds for the expenses of an election. . . . The hardest part of the precinct committeeman's work is to get jobs for all those who believe they should have them, when candidates, after they are elected give the jobs to members of their families and friends. Since the state went Republican it seems to me that there must have been some kind of a deal made, otherwise Democrats would not continue to hold many jobs which should have gone to Republicans."

"I want to thank all those who have helped me do the job and who have stood by and cast their votes for the Republican party. I will continue in the future as I have in the past to help work for the Republican interests. . . . During these years I have worked with fine men such as William Marks, our chairman, Elmer Clavey, treasurer, and many others."

Endorses Flanagan  
"Since I have decided to withdraw, I have conferred with various persons as to who should be a candidate at the primaries on April 14, and the consensus of opinion is that Jack Flanagan should be the candidate. I recommend that everyone in the precinct join me in this recommendation. He has always been a good Republican and a hard and interested worker. I trust my friends will support him as I am going to do."

### Kilpatrick Returns to Duties at Post Office

George O. Hawkins, who has been substitute mail clerk at the Antioch post office for the past few months, is being called into service with the U. S. army Tuesday.

Chester Kilpatrick, former substitute mail clerk who was employed at Scott's dairy during the summer months, is taking over Hawkins' duties, starting today.

Hawkins is taking a short vacation before going to North Chicago Tuesday for final instructions. Hawkins is the son of Mr. and Mrs. Arthur Hawkins.

Mrs. Bell Fox left Wednesday for St. Petersburg, Florida, where she will spend two months.

### Movie Will Aid Legion Fund for Boys in Service

#### "Parachute Battalion" to Be Sponsored at Lakes The- ater Jan. 28-29

William Lenke and William Nelson, managers of the Lakes theater, have turned the theater over to the Antioch American Legion post for the nights of Wednesday and Thursday, Jan. 28 and 29 at their contribution in support of the Legion fund for "our boys in the service."

"Parachute Battalion" is the picture the Legion will sponsor on these two evenings.

The principal scene of the picture is Fort Benning, Ga., and the high-lights of the picture are the parachute take-offs from planes in flight, solo and in groups. Capt. William Ryder of the 501st Parachute division, acted as technical adviser.

Players include Harry Carey, Buddy Ebsen, Richard Cromwell, Edmond O'Brien, Nancy Kelly and Robert Preston. Actual parachute jumps were made by soldiers at Fort Benning.

Leslie Goodwins directed. Plans for the showing of the picture and for other Legion defense and service projects were discussed at a meeting last Thursday evening. A contribution to the Red Cross was also made at that time.

Two showings of "Parachute Battalion" will be made each evening, at 7 and 9 p. m. Adult tickets will be sold at 30 cents each and children's tickets at 15 cents.

### Miller's Orchestra to Play at Community Club Dance Tuesday

Joe Miller's orchestra from Richmond has been engaged to play for the dance and card party to be given at Channel Lake school Tuesday, January 27 at 8:00 o'clock. The party is sponsored by the Channel Lake Community club, and there will be buncos, 500, bridge, and pinocle with prizes for high scores, and refreshments to follow.

Serving on the committees for the party are Chas. Ulrich and Mrs. Cunningham, tickets; Mrs. N. Zeien, Mrs. James Runyard, Mrs. Eugene McDougall and Mrs. L. Beck, refreshments; Nick Zeien, prizes, and Mrs. Martin Busscher, publicity. Admission is 35 cents.

### Farm Supply Shareholders Will Meet Saturday at Lake Zurich High School

The 14th Annual Meeting of the Lake-Cook Farm Supply Company will be held on Saturday, January 24, at the Lake Zurich High school at Lake Zurich, Illinois. The meeting will be called to order promptly at 10:00 by the president, Eb. Harris.

This meeting will be of vital interest to all farmers in Lake and Cook counties in that important discussions relating to priority rights on merchandise, which the farmers will need, and the possibility of being able to secure the same will be discussed.

The entertainment committee has been extremely fortunate in obtaining C. H. Becker, manager of the Illinois Farm Supply Company as the main speaker. The music entertainment will be well taken care of by the Lake Township High school band.

The famous Lake-Cook lunch which has been the standard of free lunches in the past many years will be served by the employees of the company. Everyone is urged to attend and participate in this event. Everything is free.

### Surplus Food Administrator Addresses Men's Civic Club

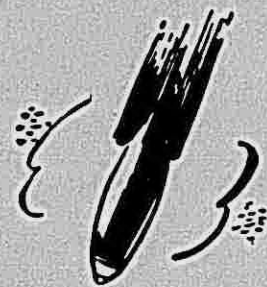

Changing economic conditions have also affected the set up of the hot lunch projects in Lake county schools, Fred W. Good, Lake county administrator of surplus food commodities, told members of the Antioch Men's Civic club at a meeting Monday evening in the Antioch restaurant.

W. P. A. labor formerly available for these projects is being absorbed into defense and general manufacturing and construction work, he pointed out, and the work is now devolving on the mothers of the children.

In spite of this, however, the school lunch projects are increasing in Lake county, Good informed the club. He also touched on other aspects of the distribution of surplus foods.

The club's next meeting, on Monday, Jan. 27, at St. Ignace's Guild hall, will be a joint dinner meeting with the Antioch Business and Professional Women's club. Members of both organizations will be privileged to bring their wives or husbands.

### Let Your Answer to Bombs Be—BONDS!

We are fighting enemies who will stop at nothing. With our homes, our very lives at stake, shall we stop short of giving our dimes and dollars for Defense? Buy Defense Bonds and Stamps every day, every week. Buy as if your very life depended upon it. It does!

### Waukegan Law Firm Opens Office Here

Runyard & Behanna, well known lawyers of Waukegan, today announced that arrangements have been completed for opening an office in Antioch. They will occupy rooms on the second floor of the post office building. Office hours will be announced within the next few days when office equipment has been installed.

E. M. Runyard, the senior member of the partnership, has practiced law in Lake county for over 35 years. Wm. R. Behanna has been associated with him since 1923. Runyard has served for several terms as village attorney for Antioch, a post now held by George McGaughey.

### Local and County Wardens Pleased With Black-Out

Commenting on the success of the first "blackout" held in the state of Illinois, Chief Air Warden Roman B. Vos issued the following statement:

To the Citizens of Antioch Township:  
In behalf of the organizations and individuals who did a splendid job in carrying out the plans of completing a test blackout last Friday evening, we extend to the citizens of Antioch township our vote of thanks for their whole-hearted cooperation and the excellent results.

The blackout test resulted in a one hundred per cent coverage and only goes to show what organization means in a time when a nation is at war.

The comments brought in by those helping in the capacity of wardens, police, firemen and appointed civilians were gratifying to the heads of the Air Raid Warden Service. Everyone assisted in the spirit of making it feel like the real show that is being experienced along coastal shores from day to day. The registered organizations and individuals helping:

Antioch Legion Post 748, Antioch Fire Department, Antioch Rescue Squad, Antioch Police, constables and deputy sheriffs, Antioch doctors and churches where first aid stations are located. Junior Wardens appointed from the Legion serving in the various sectors in the township selected on the average five civilians to assist in the work of checking the sectors. The number of persons in active service for the blackout amounted to 125.

ROMAN B. VOS,  
Chief Air Warden  
for Antioch Twp.

The following letter was received from the Lake County Co-ordinator, which should make the Antioch citizens proud of their achievement:

Roman Vos  
Antioch, Illinois  
My Dear Mr. Vos:

You are indeed to be congratulated on the efficiency and dispatch, with which you have carried out your duties as senior warden.

I wish to take this opportunity to express my deepest appreciation for your whole-hearted co-operation and the excellent results obtained in our first trial blackout.

With my best wishes for your continued success and my kindest personal regards, I remain

Sincerely yours,  
Paul J. King,  
Co-ordinator

### Upper Section of Water Tower Ladder Is Removed

The ladder from the platform or "catwalk" to the top of the dome of the Antioch water tower was removed Tuesday as a war precautionary measure.

Edgar Simonsen removed the ladder, assisted by Marshal William Thiemann and Street Superintendent Fred Petersen.

It is about 100 feet from the ground to the "catwalk," and about 18 feet from there to the top of the tower.

Similar precautionary measures to prevent pollution of water supplies are being taken by many communities.

Little Donna Jean Hufendick, who has been seriously ill, is now able to be up a few hours each day and is feeling much better.

## Antioch Defense Set-up Emulated In Other Areas

### Local Program Is Well Co- ordinated, County Black- out Proves

Features of Antioch's defense program, which is already well-integrated and set to function smoothly, are being adopted by other communities, including Waukegan, according to reports received this week.

Among these is the establishment of first aid stations where emergency treatment could be given under the charge of doctors. The Antioch rescue squad, which antedates the local defense program but is an important factor in it, is another pioneer Antioch project being studied by other communities with a view to sponsoring similar squads.

Local participation in the Lake county trial blackout Friday night was deemed almost 100 percent effective, and was conducted without hitch or mishap.

#### THIS Siren Was Heard!

Whereas some communities reported difficulties in hearing their warning signals, the banshee fire whistle that proves so effective in bringing Antioch's volunteer firemen up standing from their warm beds on cold winter nights was equally effective in warning housewives to "douse the glim" Friday night at 7 o'clock.

Since the sound of the siren carries some distance from Antioch (around 4 or 5 miles, it is estimated), under favorable conditions, especially because of the nearness of numerous lakes, which act as a sort of "sounding board," residents and motorists outside the village were also warned by it.

The blackout was rigidly observed in downtown Antioch, and pretty generally throughout the village, although a few flashlights and cigarettes were observed during the course of the half hour.

Even the through Soo Line train dimmed all lights but the headlight, except while it was actually in the Antioch station. Trains along lake shore routes also dimmed their lights.

#### Motorists Co-operate

Motorists co-operated well, parking their cars at curbs or roadsides for the duration of the blackout.

No mishaps or accidents resulted here from the blackout, although the Antioch rescue squad, which is always on call 24 hours a day, "stood by" with automobiles in readiness to take any physician in the village to his destination in the event of an emergency summons.

The Antioch fire department took out a truck, with blue headlights, to make an inspection tour of the village, and returned to the station pronouncing the inspection satisfactory.

Air warden patrols furnished by the Antioch post of the American Legion, under the charge of Commander Roman Vos as head air warden, conducted patrols. County sheriffs and state-highway police halted motorists at the Wisconsin state line to the north, and at the McHenry county line at the west until the blackout was over.

However, many motorists, forewarned by the press of the blackout, the first to be held in Illinois, avoided entering the area during the half hour.

The lights of an airplane bearing official observers could be seen high in the sky to the eastward, from Antioch.

Antioch physicians, Drs. D. N. Deering, A. P. Bratrude, A. N. Berke and R. D. Williams, remained at their residences during the half-hour, since the first aid stations to which they would go in the event of an emergency had not yet been fitted with curtains for use during a blackout.

St. Peter's Catholic church has been designated as Emergency First Aid Station No. 1, and the Antioch Methodist church as Station No. 2, with the high school as a reserve emergency station. These buildings were selected for stations by a committee of medical men, and were chosen on the basis of location and construction, all of them being of brick or stone.

In the event of an emergency, Drs. Deering and Bratrude, residing nearest Station No. 1, would proceed there, and Drs. Berke and Williams, living nearest Station No. 2, would be in charge at that station. Men trained in Red Cross first aid methods would be assigned by the rescue squad to assist the doctors at each station.

#### Plan Women's Corps

Later, when women who are taking the courses in Red Cross first aid work have graduated, an emergency squad of women will be organized. Members of this squad will assist at the first aid stations, and will also have charge of home service work.

In general charge of defense work in Antioch township is George B. Bartlett, village president. Assisting him are Clarence Shultis, secretary, and a large committee of residents of the village and township.

### DEFENSE WORK CUTS STATES RELIEF ROLLS HALF OF 1939 PERIOD

America's rearmament program has greatly reduced relief and assistance rolls of Illinois, according to a survey story covering a 31-month period which appears in the January issue of the Illinois Agricultural Association Record.

Number of Illinois persons receiving public assistance in September, 1941, was less than half as great as in Feb., 1939, when relief and assistance rolls were at the highest point reached during recent years. In February, 1939, more than one-sixth of the people in Illinois were receiving some form of public assistance.

The greatest change has occurred in WPA rolls, which have been cut by nearly three-fourths; general relief has dropped more than half; the number of persons receiving mothers' or blind pensions has remained fairly constant; and old age assistance recipients have increased about one-sixth in number.

The reduction in assistance rolls has been greatest mainly in the northern part of the state and least in the southern counties. There are, however, exceptions to this general statement.

Williamson county topped the relief rolls in 1939 with 51.9 per cent of the population receiving aid from the government in some form or another. Saline county had 42.2% on relief; Schuyler 28.9; Scott 28.5; Perry 28.3; Montgomery 25.3; White 25.3; Wayne 24.0; Franklin 40.0; Gallatin 41.5; Hardin 33.8; Alexander 44.2; Jackson 30.2; Johnson 28.8; Jefferson 26.9; Hamilton 25.7; Cass 28.4; Douglas 23.6; Macoupin 25.8; Madison 23.9; Putnam 24.8; St. Clair 23.6.

The above figures reveal the cause of the heavy majorities for New Deal candidates in the 1940 election. The relief and assistance rolls have decreased since the election.

Republicans might take a lesson in politics from the above—and entitle it "How to Win an Election."

### Defense Stamps And Bonds Meet Ready Sale Here

Defense stamp sales at the Antioch post office are averaging from \$50 to \$75 a day. Postmaster Roy Kufalk states. Total sales since Jan. 11 amount to more than \$525. Defense stamps are also being sold in Antioch High school and Antioch Grade school, in co-operation with the post office.

Since Jan. 1, seventy-nine defense bonds, ranging in value from \$25 to \$1,000 (maturity value), have been sold at the post office. Antioch banks have also been making sales of bonds, especially in the larger denominations. The First National bank reported sales of bonds in the higher denominations amounting to more than \$30,800. Good sales were also reported at the State bank.

More than 350 federal tax stamps for automobiles have already been sold at the Antioch post office, Kufalk states. These stamps, costing \$2.09, should be purchased some time this month or next, if a person wishes to procure them at the local postoffice, as after that time they will have to be secured by writing to the collector of internal revenue—except in the case of those purchased by persons who have just bought automobiles during the month then current.

Defense stamps sales at Antioch Grade school during the past week, Jan. 14-21 totaled \$40.90. The stamps have not been on sale at the high school for quite a week as yet, but sales totaling \$25 or more have already been made there.

### Dr. Jensen Attending State Veterinarian Meet

Dr. G. W. Jensen, Antioch veterinarian, left yesterday for Springfield where he is attending the annual meeting of the Illinois State Veterinarians' Association. Dr. Jensen was the Association's president in 1937.

**Save Paper**  
The paper has been made to all the people by the government. Even before we were in the war, the government was using one-third of the nation's paper for printing forms, needs, and now military demands will multiply. On top of that, the armed forces have many other important uses for paper. All kinds of cheap terms of paper, such as toilet paper, are being made into boxes and other articles.

When you do your shopping, get along with a minimum of wrapping. The National Association of Food Chains offers suggestions when it comes to wrapping. Don't buy anything in a package unless it is necessary—or any bag at all if you have only a few items to carry. 3. Take groceries in cartons when available. Then use the cartons as receptacles for waste paper at home. 4. Remember to use the back of one of your newspapers for the back of another. Don't think the stores you patronize are being stingy when they stop using paper strings, tags, and other wrappings in the wastefully lavish form we have become used to. When they cut down on paper, they are co-operating with the government. They are doing one of the many ways of retarding in all its branches, chain store and independent store alike, is serving the country. Every family can help in the conserve paper drive. Save all you can and turn it in when you reach a substantial poundage. The Army and Navy need it.

## Buy Defense Bonds

Our participation in war makes the purchase of immense quantities of Defense Bonds and Stamps all the more necessary. We cannot finance the war through taxes alone. Nor can we finance it by selling more and more regular government bonds.

armament bonds of the banks. The financial burden that war makes must be largely absorbed by the people by primary American means and not by the walks of life. The Defense Bonds and Stamps, on the other hand, are a financial burden on the people to buy the guns and planes and the great warships that will eventually destroy our enemies.

The banks have been leaders in selling these Defense Bonds. They sell them without a cent of profit to themselves. The hundreds of millions of dollars realized are dispatched at once to the Treasury, to be disbursed for arms and munitions to our fighting men.

Buy as many bonds as you can afford. Put your spare dimes and quarters into Defense Stamps. This is every American's war—and every American must do all he can to see it through to victory.

## The Doctors Are Prepared

Fortunately, the welfare of the American people, the American medical profession was preparing for war long before the bombs fell on Pearl Harbor.

Since June 1940, the Journal of the American Medical Association, through its medical profession, has been doing a splendid job of preparing the medical profession for war. It has encouraged the study of scientific military medical research, and enrollment of medical personnel. More than 10,000 physicians have entered military service, and over 25,000 have given their services, without charge, to the Selective Training and Service Administration. The thousands of qualified men of medicine are associated with the Army, Navy, Marine Corps, the Public Health Service, and other governmental departments in a military or quasi-military nature.

And doctors have shown the highest type of patriotism. On their shoulders falls the vast responsibility of keeping the military and civilian populations mentally and physically fit. They accept that responsibility without reservation. They know the material rewards will be small. Their principal reward will be in the knowledge of a vital public service well done.

The American fighting forces and the American people at large are receiving a kind of medical service unrivaled on earth. No other nation enjoys higher standards of health—and in no other nation are the requirements laid down by the military services so high. The health of our people is one of our greatest weapons. The doctor will play a decisive role in the winning of the war.

## WILMOT

The Wilmot chapter, Order of the Eastern Star, held its first meeting of the year on Wednesday evening. The newly installed staff of officers presided. The meeting was called to order by the worthy matron, Edith Hockney, who appointed her committees as follows: sickness, Margaret Swartz, Florence McDougall, and Grace Young; relief, Millie Loth, Minnie Lubbo, and Emma Dixon; and for the reading of the order, Georgia Bankin, Elizabeth Bruel, and Elona Sackacker.

The staff officers being incomplete, the following were installed into their offices: Josephine Prosser, Association conductor and Mildred Barner, marshal. Georgia Bankin acted on the capacity of installing matron and Elona Sackacker as installing marshal. Elizabeth Bruel was the installing chaplain.

The next regular meeting will be held on January 28, 1942, at 8 o'clock. The officers of the chapter are: Matron, Edith Hockney; Association conductor, Josephine Prosser; Marshal, Georgia Bankin; Installing marshal, Elona Sackacker; Chaplain, Elizabeth Bruel; and Secretary, Mildred Barner.

# 2 GOOD HABITS

Small things? Perhaps—but by practicing these two good habits you will add much to the efficiency of your own telephone service and of service in general.

And that's vital today—when people in Illinois Bell territory are making about 16,000,000 "more" telephone calls each year.

Quick Pick-Up. When your telephone rings, pick up the receiver as fast as you can. This helps prevent your missing calls from people who are waiting.

Slow Hang-Up. When calling, one moment may bring an answer and save you the trouble of calling again.

# CONSERVE TIRES

ENGINE—TRANSMISSION—EVERY VITAL PART. Chevrolet's new "Car Conservation Plan" is designed to help you keep your car serving faithfully for the duration, and invites your cooperation on the following points:

(1) Observe the simple, fundamental, thrifty rules of car care, such as keeping tires properly inflated, checking battery, water, oil, etc.

(2) Get a simple "service check-up" at your Chevrolet dealer's now, and avoid major troubles later.

(3) See your Chevrolet dealer regularly.

CHEVROLET DEALERS SPECIALIZE IN THESE "CONSERVATION SERVICES":

1. TIRE SERVICE (to conserve tires)

2. RADIATOR (to safeguard cooling system)

3. LUBRICATION (to lubricate motor, chassis, etc.)

4. BRAKES (to preserve braking)

5. MOTOR TUNE-UP (to conserve engine and fuel)

6. CARBURETOR AND FUEL PUMP (to save fuel)

7. STEERING AND WHEEL ALIGNMENT (to make tires last longer—conserve rubber)

8. BODY AND FENDER REPAIR

9. CLUTCH, TRANSMISSION, REAR AXLES

10. HEADLIGHT AND ELECTRICAL CHECK-UP

11. SHOCK ABSORBER SERVICE

12. PAINTING, REFINISHING, WAXING

Always SEE YOUR LOCAL CHEVROLET DEALER FOR SERVICE

# SOCIETY EVENTS

## Charles Cermak, Jr. and Bride Leave on Florida Honeymoon

Now on a honeymoon trip to Florida are Mr. and Mrs. Charles Cermak, Jr., whose wedding took place at St. Peter's church Sunday at a nuptial high mass.

Officiating at the ceremony were the Rev. F. M. Flaherty, pastor; the Rev. James Shevlin of Oak Park, and the Rev. Slominsky of St. Mary's of the Lake.

The Misses Katherine Cable and Doris Friedl, who were classmates of the bride at St. Therese school of nurses' training, were bridesmaids and Mrs. Robert Brennan, the former Miss Mildred Cermak, was matron of honor.

The bride's gown of white brocade satin was made in princess style, with a train.

With it she wore the long veil and seed pearl tiara Mrs. Brennan wore for her wedding three months earlier. She carried a bouquet of white roses.

Her attendants were gowned in "star-dust" organdy. Miss Cable's gown was blue and Miss Friedl's pink, and both carried pink roses and forget-me-nots, tied with pink and blue ribbon bows. Mrs. Brennan's gown was aquamarine blue, and the peach-colored roses in her bouquet were intermingled with sweet peas in harmonizing shades.

John Sebeck of Chicago, a cousin of the bridegroom, and Jack Harrison, also of Chicago, acted as best man and groomsmen.

A reception for relatives and friends was held afterward at the Cermak home at Loon Lake. The decorations for the reception featured white streamers and white wedding bells.

The bride is a graduate of the nurse's training school at St. Therese. She is the daughter of Mr. and Mrs. Edwin E. Demman of McHenry, Ill. Mr. Cermak has been an active member of the Lake County Young People's Democratic organization, which he has served in the capacity of vice-president, and is Democratic committeeman for his precinct. He is the local representative of the New York Life Insurance company.

## HOWARD RUDOLPH TO WED CHICAGO GIRL SATURDAY

In a ceremony to be performed at four o'clock Saturday afternoon at the home of Mr. and Mrs. George Parker in Chicago, their daughter, Charlotte, will become the bride of Howard Rudolph, son of Mr. and Mrs. Charles Rudolph of Antioch. Howard was graduated from the Antioch High school in 1938 and he is now employed in Chicago. He is the brother of Charles W. Rudolph who is serving in the U. S. Air Corps at St. Louis, Mo.

A reception at the Parker home will follow the wedding.

## HOLY NAME SOCIETY PARTY SET FOR WED.

Cards, as you like them—bridge, "500," pinocle, or bunco—will be the principal diversions at the card party being sponsored by the Holy Name society of St. Peter's church next Wednesday night at St. Peter's Hall starting at 8 o'clock. There will be numerous prizes and refreshments will be served to all.

Heading the event as general chairman is Gene Sheehan who is president of the Holy Name group, and he is being ably assisted by Rudy Eckert, prizes; Irving Walsh, tickets; and August Teichert, refreshments.

## TEACHERS TO MEET NEXT WEDNESDAY

A meeting of the Antioch region group of the Illinois Educational association will be held next Wednesday evening at Mortensen's restaurant, with Miss Aileen Wilson presiding. Miss Marguerite Zimmer, assistant Lake county superintendent of schools, will speak on "National Teachers' Examinations."

## NANCY SHEEHAN HONORED ON SEVENTH BIRTHDAY

Fifteen young friends of Nancy Sheehan shared in the fun of celebrating her seventh birthday yesterday afternoon at the home of her parents, Mr. and Mrs. Gene Sheehan at 1026 Victoria street. Most of the guests were Nancy's school mates.

Later in the evening the Sheehans entertained eight guests at dinner, including Mr. and Mrs. Paul Avery of Lake Villa, who are Nancy's grandparents.

Service officer John Horan of Antioch Legion post visited at Veterans' hospital 105 at Downey, Ill., on Wednesday. He reports he found George Hirschmiller about ready to return home. Harold Fillweber will undergo a slight surgical operation this week. Arthur Heiden, former employee of the Antioch packing house, from Mundelein, was much better after a leg infection and Bert Galiger of Lake Villa is up and around with hope of being released soon.

Thirty attended the pot luck supper and monthly business meeting held at the Antioch Methodist church last evening. A talk on "Our Part in the National Defense Program" was given by the pastor, the Rev. Warren C. Henslee.

The annual Ladies' Night party of the Antioch Lions club will be in the nature of a 7 o'clock dinner-dance to be held at the Roundup restaurant on Highway 21 Monday evening.

## Church Notes

St. Peter's Catholic Church  
Antioch, Illinois

Official Board Meeting the second Wednesday of every month.  
Wesley Circle business meeting first Wednesday of every month at 2 P. M.  
Friendship Circle business meeting third Monday of every month at 2 P. M.

## COMMUNION SERVICE

At the eleven o'clock service next Sunday, Jan. 25, the Sacrament of the Lord's Supper will be celebrated. As the men and women in our armed forces are making the extreme sacrifice to save our country from a foreign foe, it is of vital importance that we keep in mind, through this and other services of the church, the supreme sacrifice on Calvary for the redemption of the race, without which all other gains are futile. To this end we invite all, regardless of church affiliation, race, or nationality, to join us in this sacred service.

For the duration of the war our church is to be used as a First Aid Station in connection with the National Defense program. This will not interfere in any way with our regular program. All activities will go forward as usual.

Sunday School is at 9:45 and Public Worship at 11:00 each Sunday morning.

Warren C. Henslee, Minister.

St. Ignatius' Episcopal Church  
The Rev. J. E. Charles

9:45 A. M.—Church School  
11:00 A. M.—Holy Communion and sermon.

We cordially invite you to worship with us.  
January 25th is Bishop's Pence Sunday.

## PRAYER AND THOUGHT FOR THE WEEK

Contributed by the Baha'i Group  
PROTECTION

"O my Lord! Thou knowest that the people are encompassed with pain and calamity, are environed with hardships and trouble—every trial attacks man and every dire adversity assails him, like unto the venom of a serpent. There is no shelter nor asylum for him except under the wings of Thy protection, preservation, guard and custody. O Thou, the merciful one! O my Lord!

Make thy protection our armor, Thy preservation our shield; humbleness before the door of Thy Oneness our safeguard; Thy custody and defense, our fortress and our abode. Preserve us from suggestions of self and desire, and guard us from every sickness, trial, difficulty and ordeal. Verily, Thou art the protector, the guardian, the preserver, the savior, and verily, Thou art the most merciful of the merciful."

—By 'Abdu'l-Baha.

"Victory neither has been nor will ever be opposition to any man nor strife with any person; but rather what is well-pleasing is that the cities of men's hearts, which are under the dominion of the hosts of selfishness and lust, should be subdued by the sword of the word of wisdom and exhortation. Every one, then, who desires victory must first subdue the city of his own heart with the sword of spiritual truth and of the Word, and must protect it from remembering aught beside God; afterwards, let him turn his efforts toward the citadel of the hearts of others. This is what is intended by victory."

Words of Baha'ullah

## CATHERINE-MARIE GUILD TO MEET

Plans for a Valentine party to be held Feb. 16, in St. Peter's hall will be completed at a meeting of the Catherine-Marie guild Tuesday in the home of Mrs. P. E. Chinn.

## Births

Mr. and Mrs. Roman Vos are the parents of a 10 pound 2 ounce son born at St. Therese hospital, Waukegan at 11:30 o'clock the evening of Jan. 20.

Miss Florence Walsh, who has been helping to care for the Dudley Kennedy family, spent the past week-end at her home in Chicago. Mrs. Kennedy, who has been convalescing at St. Joseph's hospital in Chicago after an operation, is reported to be getting along well.

## "Men's Night" Card Party Expected to Be Enjoyable Affair

Once each night the men of the Antioch Grade School Parent Teacher association have an opportunity to reverse the old saw about wives dragging their husbands off to a bridge game in the evening—for they stage their own card party, and "drag" their very willing women folks over to attend it, too!

Staged entirely by the men, the "Men's Night Card party" to be held Monday evening, Jan. 26, is expected to be the same sort of outstanding social event that those of former years have been. As is customary with the P. T. A. monthly parties, it will be open to the public, and many members are already inviting their friends to help make up tables for the affair.

Henry Rentner will be chairman for Monday evening's party, and announces that the men will spare no efforts to make it an enjoyable occasion—including lots of "good eats" at the close of the card playing.

## Hobby and History Angles of Glassware Collecting Described

American made glass in the form of bottles and lamp chimneys was one of the first manufactured exports from this country. Mrs. F. L. Ford of Waukegan told members of the Antioch Woman's club in a talk on "American Glassware" at a meeting Monday afternoon in the home of Mrs. J. Ernest Brook.

In some ways there is an analogy between glassware and people, Mrs. Ford told her audience, explaining that glassware is individual in color, design, and "voice," or timbre when struck. For a person desiring a hobby that would be both interesting and comparatively inexpensive, she could recommend that of collecting old glassware, said Mrs. Ford.

"I find that when your knees won't go, your eyes won't go, and your money won't go—it's time to take up a hobby!" she laughed. "A hobby is one way to help people who find as they grow older that they 'have nothing to do.' You can't buy a hobby—you have to work at it."

For persons interested in taking up the collecting of old glassware as a hobby she recommended reading the book, "One Red Rose Forever," Mrs. Ford described some of the different types of glassware, illustrating her talk with examples from the collection of 75 pieces she brought with her.

She also told where some of the different types of glassware originated, and how some of the colors are achieved.

Mrs. R. E. Clabaugh was elected program chairman for next year during the business meeting. She succeeded Mrs. D. N. Deering.

Two new members, Mrs. Dan Boyer and Mrs. Anna Shreve, were received into the club.

The club voted to present to Antioch Township library a volume of poems by Hilda Butler Farr, who has spoken here in the past.

A luncheon was served to the 36 members and seven guests who were present.

Assisting on Mrs. Brook's committee were Mmes. Lester Osmond, W. W. Warriner and Howard Smith.

## Personals

R. E. Clabaugh, principal of Antioch Grade school, and Mrs. Otto S. Klass, Mrs. Roy Kufalk and Henry Rentner, representing the school board, are attending a tri-county school board dinner meeting this evening at the Hotel Sherman in Chicago. Counties represented are Lake, Cook and DuPage.

Radios repaired, also corsages and cut flowers. Anderson's Radio and Floral Shop, Antioch, Ill., Tel. 411.

Willard Culver of Salem was a caller in Antioch today. Mr. Culver has been battling a siege of "flu" for several weeks, but is now able to be out again.

Radios repaired, also corsages and cut flowers. Anderson's Radio and Floral Shop, Antioch, Ill., Tel. 411.

Mrs. Emil St. Louis and Wilfred St. Louis of Connecticut are visiting Mr. and Mrs. Robert Brennan at Loon Lake.

Mrs. Effie Nelson and her little grandson, Jackie Nelson, entertained the following guests at a birthday dinner Sunday: Mrs. Elva Davis, Mr. and Mrs. Alfred Davis and baby of Crystal Lake, Mrs. Sine Laursen, Mr. and Mrs. Lester Nelson and family, and Mrs. Vera Rentner.

48 YEARS AGO  
In the Antioch News  
Jan. 18, 1894

During several nights of last week the calaboose was occupied by penitents who preferred sleeping there to staying out all night.

The northwestern division of the Lake County Teachers' reading circle met Saturday at Antioch. Present were Miss I. Jamieson, Miss Una Minto, Miss A. Jamieson, Miss Harden, Miss Blair, Mrs. J. M. Wood, Miss Payne, Miss Nellie Gleason, Miss O. Jones, Miss Annie Ames, Miss Nellie Bartlett, Miss Lelia Webb, Mrs. B. Siver, Miss Lottie Haycock, Mr. J. M. Wood, Mr. J. Lane and Mr. H. Ingalls.

You can count from ten to twelve men fishing through the ice at Grass Lake every day. Judd and Cannon have dug a well for C. B. Little and are now at work on a well for Wm. Ramaker at his hotel.

The best talent from Antioch and Millburn will take part in the music convention at Grayslake January 22 to 25.

Brotherly love between Antioch and Waukegan in the old days, as gleaned from the editorial column of the Antioch News:

"Another would-be representative is John J. Burke, editor of the Antioch News. The report was just brought in on a farm wagon, with the flavor of new-mown hay still clinging to it in large globules"—Patriot (Waukegan newspaper).

Never mind about the hay Sammy, it is proper food for a donkey, and we have instructed one of our farmer friends to deliver a load at your office.

"The Antioch News prints under a scare head an account of a petty burglary at Williams Bros. store. Goods to the value of \$100 were taken; judging from this it doesn't take much to excite that quiet place. Such an affair would cause little excitement here"—Waukegan Patriot.

Of course, Sammy, in a town where people are as hard up as they are in your city of brilliant promise (?) burglaries and the like are such a common occurrence that no attention is paid to them by the slow going Patriot, but when some fellow steps in and lugs off the post office the Patriot wakes up long enough to howl.

"The Antioch News announces that it will support the Hon. James Murrie, of Millburn, for the office of County Treasurer this fall—whether he is nominated by the party or not, we suppose. If Burke don't look out that 'Hon' will be the means of knocking Mr. Murrie's chances sky high. Plug hats and high fuluting titles won't go this time, brother"—Patriot.

Every honest man, who in the darkest hour of his country's history, wore the Union blue and holds an honorable discharge from the army is worthy of the title of Hon. Plug hats and plug uglies may rant about the soldier, but honest men, who are loyal to the constitution and respect the laws, will loyally support the soldier candidate, James Murrie, and we know there are enough such in Lake county to elect him.

(Ed. Note—It looks as though the Hon. John J. Burke was doing all right for himself in these little skirmishes of journalistic wit, back in the days of "fearless journalism.")

The right and privilege has been granted to Lyman B. Grice to construct, erect and maintain a line of public telephone and telephone poles with the necessary wires and connections.

23 YEARS AGO  
Jan. 23, 1919

Clyde ("Red") Fields arrived in Antioch Wednesday evening after having seen overseas duty for the past seven months. Pvt. Alonzo Runyard, who has been engaged in overseas duty for the past ten months, arrived home very unexpectedly last Thursday evening.

Thomas Olsson of the army of occupation, and Emmett Kavanagh write home of experiences during the Argonne-Meuse fighting, the fighting at Verdun, the second battle of the Marne, and battles of St. Michele, Cantigny and Sedan.

SELLING FARM GRAIN  
THROUGH DAIRY COWS

"Whenever butterfat is worth 20c or more a pound, it pays to balance home raised grains and sell them through the cow," says E. B. Pratt, dairy authority with Purina Mills.

"Field observation shows that the average dairyman figures he must feed about one pound of his own ground grains (corn, oats, etc.) for every two pounds of milk.

"We at the Purina Research Farm feel that home raised grains can be fed at the rate of one pound of ration to three pounds of milk, and often at as wide a spread as one pound of ration to four pounds of milk, if the home grains are properly balanced. A little figuring shows why we can do this.

"For example, let's figure feeding a cow seven pounds of grain and take the round figure of 1c a pound for the grain. This figures 7c for seven pounds, and when fed at a one to two ratio, will produce 14 pounds of milk.

"The same number of pounds of a proven Purina mixture is made up of five pounds of our own grain and two pounds of Purina Cow Chow—an excellent dairy mixing concentrate. At 1c a pound, the five pounds of our own grain would cost 5c. The two pounds of Purina concentrate would figure about 2½c a pound or 5c total. Thus we have seven pounds of the balanced mixture costing 10c, which should produce 21 to 24 pounds of milk.

"The difference in price in the about two daily feedings is only 3c a day, yet the extra milk in this example figures seven pounds. Quite obviously this is getting more milk per pound out of our home grains."

## 'No Trespassing'

Every year on a day in July, Rockefeller Plaza, a New York city thoroughfare three blocks long, is closed to traffic for 12 hours. The land is owned by Columbia university and to protect its ownership the institution in its lease to the Rockefeller interests specified that one day in July each year, "for the period of 12 hours from sunset to sunrise," the lessees must close off the street "with a rope, chain or other effective device," and must display prominently a sign showing the road is privately owned.

## Mental Ills

A survey of the causes of draft rejections at the Chicago army induction station since last November indicates that mental defects including personality and educational deficiencies, are the main reasons. Cumulative figures for seven months put mental deficiencies in the lead; during June there were 418 mental rejections, bringing the total for this cause to 1,152. There were only 112 rejections for teeth defects during June and the cumulative total for the cause now stands at 1,064.

## Sliding Doors

Sliding doors are being used extensively for room-to-room openings, in homes of all styles. These doors save valuable space, add attractive appearance, and operate quietly and easily. The door header of specially treated Douglas fir, and the hangers and brackets milled from non-corrosive metal, combine to make a simple yet extremely sturdy assembly which maintains the noiseless, easy operation of the door permanently. Double track installations are also available for wardrobe units.

## Annual Concert Will Be Given at High School

### Program to Be Presented Friday Evening Is Announced

(By Martha Winch)  
The Antioch Township High School chorus, band and swing band will be presented in the school's annual variety concert Friday evening at 8 p. m. Popular ballads, as well as the more staid semi-classics will be included in the program. They will be given by Eddie Ruschewski, Idal Maier, Stuart Good, Virginia Paulsen, and Sarah McBride, all of whom are frequent entertainers at the student assemblies. William White will appear as a saxophone soloist.

The audience will join with the chorus in singing patriotic songs, and the band, in addition, will play some

well-known marches. The swing band will play at the concert and also will provide music during the dance which is to follow the concert and which will last until midnight.

A combined admission charge for the concert and the dance following it will be 50 cents. The money raised will be added to the uniform fund and eventually will help outfit the Antioch "Tribadadors."

Hans Von Holwede is music instructor at the school.

The program will be as follows:

CHORUS:  
With a Voice of Singing - Martin Shaw

Recessional - Reginald DeKoven

None but the Lonely Heart - Tschakowsky

Eddy Ruschewski, Tenor

Onward, Ye Peoples - Jan Sibelius

Patriotic Songs - Audience and Chorus

JAZZ BAND:  
Tonight We Love - Tschakowsky

Idal Maier, Soloist

Time Was - Miguel Prado

Stuart Good, Soloist

Valse in E Flat - A. Durand

Billy White, Saxophonist

There's Silver on the Sage - Leo Robin

Virginia Paulsen, Soloist

White Cliffs of Dover - Burton & Kent

Sarah McBride, Soloist

BAND:  
National Emblem March - E. Bagley

Alda - Dwight McGaughey

Circus Clown - E. Holmes

Naval Reserves, and Anchors - Earl Gray

Aweigh - Ernest de Lamarter

Star Spangled Banner - J. Stafford Smith

Audience

FOR SALE—Man's all wool black suit with 2 p's, trousers, size 42-44. Dark gray overcoat, size 44-46. Black leather coat, wool lined, size 46. All for \$25.00 cash. Call Antioch 230-J. (24-25p)

FOR SALE—Modern electric incubator, 4 sections, capacity 208 eggs each; also multiple brooder battery, automatic watering, capacity 240 2-lb. broilers. Walter Forbrich, Route 1, Antioch, Ill. 151-R-1. (27c)

FOR SALE—New and used oil heaters; new and used Dri-gas stoves and all sorts of other used stoves. A. J. Eggert, Camp Lake, Wis., tel. Wilmet 762. (26t)

FOR SALE—24 lots in Antioch. Huls sub-division near junction res. 21 and 173. Call Antioch 274 or write St. Peter's Rectory, Antioch, Ill. (28t)

BABY CHICKS—U. S. approved, all flocks blood tested for pullorum. Mount Hatcheries, 601 Main Street, Antioch, Ill. Phone 293. (22tf)

## WANTED

WANTED—Work of any kind on Saturdays only. Robert Griffin, Tel. Antioch 163-J-1. (24p)

## WANTED FOR CASH SEVERAL FARMS

Please mail location; how many acres. Describe buildings, type of soil. How many acres woodland. How far from town. If farm is rented; if fronting gravel or paved road. Is there a mortgage on farm? Amount of taxes; any other information regarding farm. Price asked for farm. If interested will arrange appointment to see farm.

B. J. WILL

Wheeling, Illinois

(24-25c)

WANTED—Hampshire or Poland China bred sows for spring farrowing. Ellen Farm, Hwy 173, 1 mile east of Antioch, phone Antioch 165-R-1. (24p)

## FOR RENT

FOR RENT—Warm room, in home with furnace heat, next to bathroom. Inquire of Mrs. James Stearns, 1031 Main St., Antioch, Ill. 196-R. (24p)

FOR RENT—6-room house, furnished, oil heat and electric refrigerator. Telephone Antioch 158-W-1. (24-25p)

FOR RENT—House on Ida Ave. Telephone Antioch 82-W. (24c)

FOR RENT—Small hall, available for parties or receptions. Tables, and chairs, Anderson's, Hwy 59 at Petite lake, phone Lake Villa 3671. (7tf)

## MISCELLANEOUS

For quick service on all kinds of roofs and quality workmanship call Burlington Roofing and Heating Co., 704 Chestnut St., Burlington, Wis., phone 574 Burlington. (48tf)

FOR ANY KIND OF TREE WORK call Mike McKinney, Antioch 364. (50tf)

PROF. FLOOR SANDING—Also Rubber Tile floors laid. Many styles to select from at most reasonable prices.

W. BOSS

Lake Villa Phone 3418 (31tf)

## QUICK SERVICE

WE DO all kinds of Roofing—slate, tile, copper, asphalt, buildup and tar and gravel. We also have asbestos, ½-inch insulated and asphalt siding. Burlington Roofing and Heating Co., Tel. 574, or 704 Chestnut St., Burlington, Wis. (17tf)

## Sequoits Retain Conference Lead In Thrilling Game

In a thrill-packed game that exceeded even the expectations of the crowd, that had taxed the capacity of the Antioch gym Friday night expecting a nip and tuck battle, the mighty Sequoits retained their hold on first place in the Northeast Conference, by scalp the visiting Buffaloes from over Bensenville way, to the tune of 27-26.

Bensenville was a slight favorite by virtue of her one-point victory over Palatine, who had previously defeated the Sequoits by a single point in an over-time battle. Undaunted, however, the Sequoits, determined to retain their chance of coping the league bunting, came out for the tiff with their war-paint on, and proceeded to demonstrate the fact that games are won on the floor and not in the newspapers.

Medicine-Man Wolfbarger had brewed a potent pot of broth for his braves, and especially for Dale Barnstable whose eye was as sharp as his tomahawk, with the result that gauging Barney led his fellow braves on the hunt and collected 10 of Antioch's total.

The game was close throughout, with neither team garnering a big enough lead even to breathe comfortably. The first quarter ended 6-4 with the Buffaloes in the lead. Fighting valiantly, the Sequoits drew ahead at halftime, having squeezed into 16-15 lead a moment before the half ended.

Still fighting for that breath, the Sequoits built up a 22-17 lead at the three-quarter pole mainly through the efforts of Chief Barnstable who collected two baskets in a way that was anything but easy.

As the teams roared into the stretch, the Buffaloes unleashed a final last-ditch fight that resulted in three quick baskets, leaving them one point behind with two minutes left to go. At this juncture a mere youth of the Sequoits tribe, Tomahawk Brett, earned his warrior's rating by scurrying hither and yon and annoying the Buffaloes to such an extent that at the game's end, they were still trying to stop the papoose long enough to obtain possession of the ball so that they could get a shot at the basket. The game ended, however, with the Sequoits once again victorious, this time by a score of 27-26.

The Medicine-man, it appears, did not brew enough of his potent medicine to go around, for the Papooses of the tribe bowed to the Buffaloes' young-uns by the score of 34-11. For a while it looked as if Double-shot Klass would keep the Papooses in the running for he carried them along during the first half to keep them within striking distance of the Calves, the score at half time being 14-9, with the locals trailing. In the last half, in spite of the watchful eye of vice-medical-man Weiss, the Papooses fell apart, with the result that the Calves romped home with the Papooses' top-knots, winning by a score of 34-16.

## Prison Editor

The Japanese newspapers carry on their staff a special employee called the "prison editor." He is paid a salary for taking the rap in case the newspaper is fined or sentenced to jail. In such a case the prison editor goes to jail without interrupting the even tenor of the newspaper.

## Guard Your Country . . . and Your Loved Ones

Right now, thousands of young American soldiers and sailors are risking their lives to protect yours. Patriotism, your own self-protection, demands that you do your part, now!

Start buying United States Defense Savings Bonds and Stamps immediately. Back down the aggressors with your dollars. Bonds are on sale at banks and post offices. They cost as little as \$18.75. Put your dimes in Defense Stamps and they, too, will go to work.

America needs your money for a very important reason—to safeguard your country, your life.

## Yearbook Staff to Announced at H. S. By Annual Club

Mr. and Mrs. Charles Oetting were Monday callers at the Gus Lubkeman home near Bristol.

Mrs. Mary Hirschmiller accompanied her sister and husband, Mr. and Mrs. Charles Gerl to Waukegan San-

An Antioch Confucius declares there is no question who's the best man on earth—he's the fellow your wife could have married, but didn't.

One often hears men condemned for not practicing what they preach. But wouldn't it be awful to hear some of them preach what they practice?

Judging from the recent actions of the Japs over Manila we are convinced it would have been better if Admiral Perry, a century ago, had left them swinging from branch to branch in the tree tops.

Some of our arm chair strategists are impatiently asking what has become of the American fleet. We can't just answer that one but we can tell you what is going to become of the Japanese fleet.

The politician who announces that he is "not allied with any of the factions" is almost certain to be astraddle of a gatepost trying to see which faction it would be safest to join.

A Maxwell, California, subscriber, Mrs. Olive Reading, writes: "We are nearly over our winter here—in fact we call Feb. 1 spring. People are out working gardens now and everyone has flowers and shrubs; but we can work outside only between rains, as about all rains come between October and May. Our bulbs are at their finest now. . . . Had a light fall of snow on December 27 for half a day.

atium Sunday where they visited their daughter, Mrs. Robert Lance, and also visited Mrs. Hirschmiller's son, George, at Veterans' hospital at Downey, Ill.

and such a time as the people had playing!"  
Mrs. Reading was the former Olive Hockney, daughter of Mr. and Mrs. George Hockney, and she was born in Antioch. She and her husband, the late Dr. James Reading, a dentist, resided here until 1913, when they left for California.

## IN THIS PARTICULAR CASE "IT PAYS TO BE FRESH"

Being fresh in this instance doesn't mean being discourteous. Heaven forbid! We're talking about that extra freshness that makes our Baked Goods Department one of the most popular spots in our modern markets. You'll love Jane Parker Cakes and Donuts, and Marvel Bread because they're always "oven-fresh"—and they are that way because we bake only enough to meet our customers' daily needs.
